

Eau natural

For the natural look keep colours very soft and natural. Simple shiny hair, natural look nails and a good natural lip colour such as Clinique nude. The key to achieving this is to remember less is definitely more and if you want to be completely natural go naked (but you will have to do one hell of a tucking job).

City Business Woman

My advice for this look is to think business woman rather than office girl. Keep base make-up fairly natural but strengthen the colours on the eyes and mouth. Hair should be more structured, an updo is perfect. Accessories should be few but bold. Clothes should be crisp and tailored, black, gray and red are excellent colour choices. And don't forget, an *essential* to complete this ensemble is a great pair of stylish shoes.

Whether you like the Liz Hurley or the Lily Savage look. Here are a few examples of the varying lengths some of us like to go.

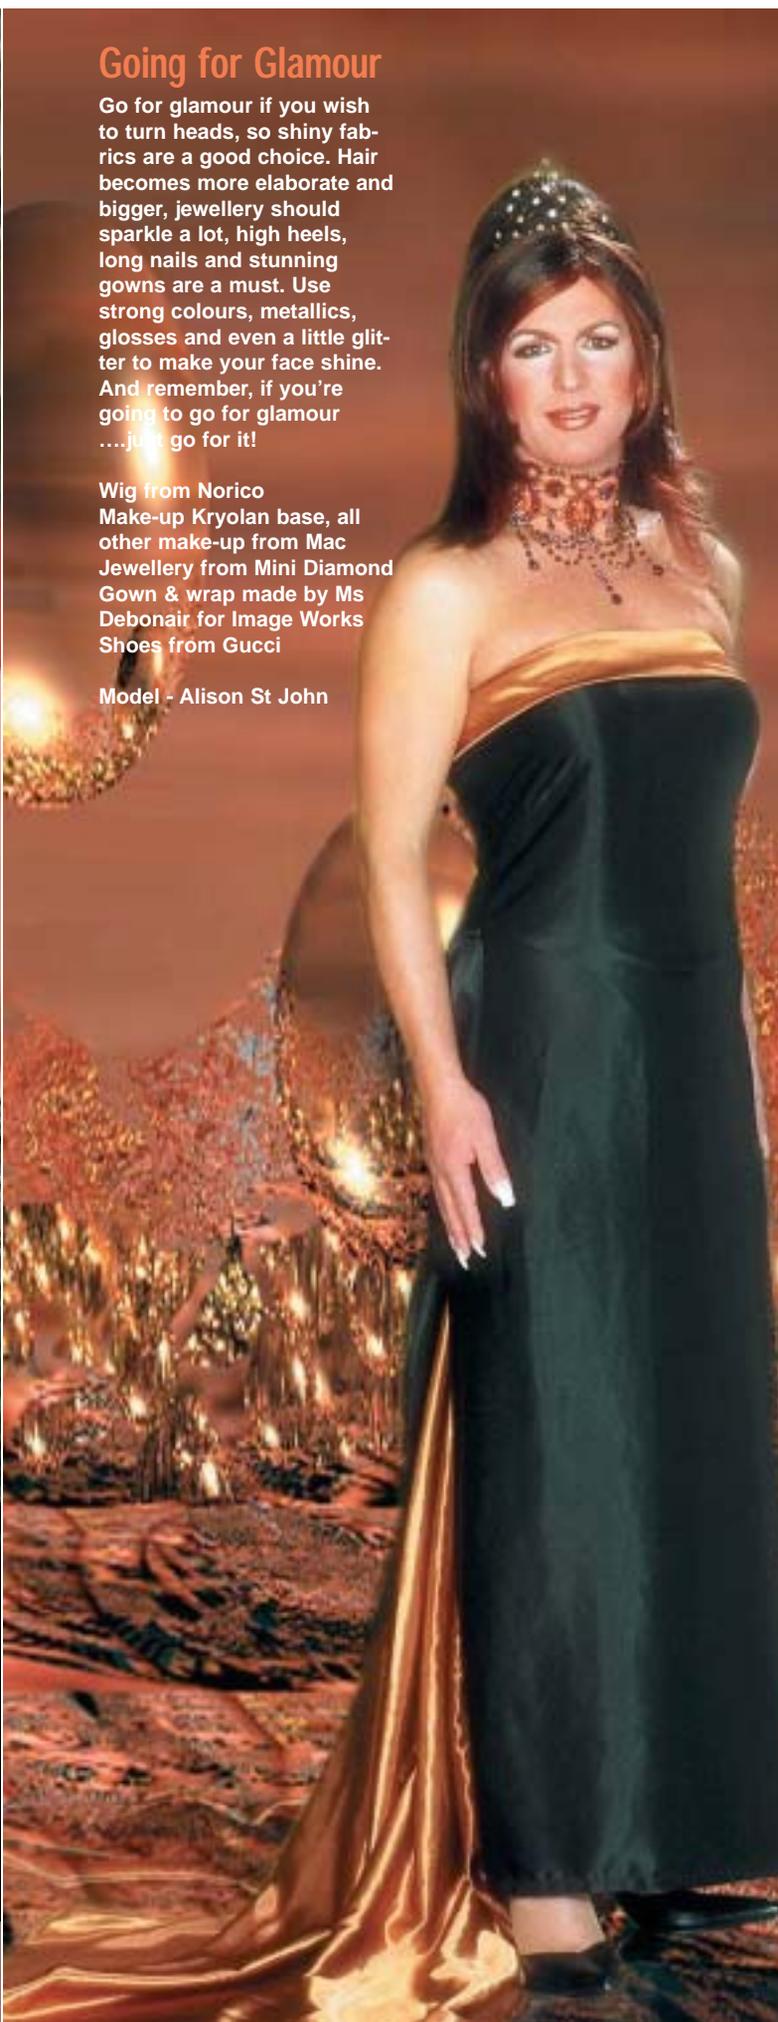

Maybe they will inspire you to try something new, after all, we don't know what we like until we try it, do we girls?!

Going for Glamour

Go for glamour if you wish to turn heads, so shiny fabrics are a good choice. Hair becomes more elaborate and bigger, jewellery should sparkle a lot, high heels, long nails and stunning gowns are a must. Use strong colours, metallics, glosses and even a little glitter to make your face shine. And remember, if you're going to go for glamourjust go for it!

Life's a Drag

There is only one rule here and this is ..there are no rules! The more outrageous the better, drag queens often get the warmest reception despite sometimes looking scary because people love anything over the top. So remember, keep it big and over the top and don't be scared, it can be a huge amount of fun!

HOUSE OF DRAG ONCE AGAIN ON STAGE AT PRESTIGIOUS G.A.Y

Following drag support for Gerry Halliwell, Kelly Osbourne and Ashley Hamilton in April a team was requested to bring the video of 'I'd rather do it with Madonna' to life performed live with Ozzy rock band 'The Androids'. House of Drag was approached once again in July to be part of the launch of the DVD & Video of Chicago the movie. 1000's of queens screamed their tits off at the launch held at G.A.Y with Steffan and Miss Sarah Lloyd singing 'All that Jazz' along with the dance troupe of the west end stage cast and Amy Field understudy for 'Roxy'.

MISS HOUSE OF DRAG 2003

I have been doing Alternative Miss London for over ten years now and feel there is always room for yet another beauty pageant on our scene, so on Wednesday 10th December 2003 we shall be holding annually - Miss House of Drag. All contestants unlike Alternative Miss London will have to perform a three minute number live or play-back (mime). There will be lots of prizes and fun to be had. The winner will receive not only cash but have the chance to appear on the Cover of this Magazine early next year. Just remember girls ... "Glamour is your passport - you were born naked, the rest is Drag..."

DRAG DIVA - Stephanie Starlet

YOU HAVE JUST PREPARED A NEW SHOW, WHERE CAN OUR READERS SEE IT?

Well I'm still deciding dates and venues for my one woman show. The problem is I keep coming up with new ideas and keep adding to it. I'm gonna have to draw the line, no matter what, so I can get the show on the road. I performed an extract from the show at the WayOut Club a few weeks ago. I sung my song 'country girl' in the character I have called 'Baby Sue', (a lovable trailer-trash slut). Next time the show will include 'Baby Sues abduction', a song about alien abduction, its very funny, I'm trying to get a necklaces of little jars with tiny pickled turds manufactured to sell at the shows, along with her book 'Baby Sue- An abduction', as explained in the song the aliens pickle her turds. See the show at The WayOut Club on 20th Sept 03

I HAVE HEARD ONE OF THE NEW NUMBERS AND ITS REALLY GOOD - AND FUNNY - IS THE WHOLE SHOW LIVE AND HOW MUCH MORE IS ORIGINAL MATERIAL?

Most of the show is completely original material some songs are famous tunes with very different and sometimes rude lyrics a lot of stand up comedy and lots of glamour of course tons of character and costume changes, a lot of hard work .

YOU'RE BRIGHTON BASED - WHAT'S NEW AROUND YOU ?

Yes I'm based in Brighton, what's new around me is? Well I just finished an eight year relationship so I am single again. I am DJing all around town but I'm looking for a good new DJ residency as I've just finished one. I am still the reigning 'Miss Alternative Brighton' but I hand over my crown to this year's winner in a month or so.

TELL US ABOUT THE TELEVISION SHOW THAT YOU HOSTED - IS THERE MORE IN THE PIPELINE?

There's talk of the second series of 'Out of the Closet' on Gay UK-TV, to be filmed in September, I hope this happens cos I had such fun on the first series. I am in talks for a television pilot show called 'Sexual Ambassador' where I report on the sex industry around the world and there is talk of me going to the Playboy mansion to interview Hugh Hefner. That would be cool, maybe he'll sign me, (or Baby Sue), up for a shoot ha ha.

STEFFAN IS ALWAYS TELLING US OF YOUR LONG FRIENDSHIP DISH THE DIRT - HOW, WHERE, WHEN AND WHAT WAS SHE LIKE?

Steffan (Miss Whitfield) is a very old friend. So old I'd never admit it cos it would give my age away. She has always been a performer as long as I've known her. When she was a chick she used to look like Brooke Shields and was giving glamour as Marilyn and she was in every pop video going. We were arrested together once for squatting in a luxury flat in Edgware road. I got her to come back one night and we were thrown in the paddy wagon the next morning, its a long story, but there was a crowd watching outside the tube station and as Miss W got in the wagon she turned to them and in her breathiest Marilyn voice said NO PHOTOS PLEASE holding her hands up as if to shield the flash bulbs. I don't think the police knew what to do with us in Paddington. We were released about five hours later and went to McDonalds to discuss the ordeal I don't think she ever forgave me. We have very similar lives that almost run parallel me in Brighton her in the smoke, but she does get her ass down to the splendour of Brighton now and again. Personally I couldn't bare to live in London again having tasted Brighton, Work and clubs in London are ok but not to live, I have to be near the water. I feel more free in Brighton it is so liberal, it's fabulous and as I work in straight and gay venues it feels like one big family.

SISTERS OF PERPETUAL Gossip

Liverpool has seen a huge rejuvenation. The city centre has been transformed. In the past couple of years there has also been a renaissance of "Drag Clubbing" in Liverpool at 'Garlands' the 'G-Bar', and 'Masquerade'. There are plans to pedestrianize Stanley Street Liverpool's gay area for bars and clubs like 'The Lisbon', 'Pacoos' and 'The Porthole' (which is undergoing a huge refurb as I write)...

My recent week in Liverpool was spent in a stretch limo dressed as Dorothy from the Wizard of OZ along with Daniella Mantrap, Ashely, Davina Diamond and Tracy Wilder invites around the Merseyside and Manchester regions to launch Stanley Streets latest addition the new 'Superstar Boudoir'

Promoter, tranny DJ Tracy Wilder (once a star in Brookside), has hatched this colourful new venue. Tracy has placed a lot of importance on the word "Superstar" to give clubbers something different on the gay, drag, tranny scene. Tracy is visibly at the helm spinning the decks and hosting the party. She draws in crowds of dedicated followers. The staff are "drag superstars" too with Tanya (ex Madame JoJo's), Ashely who is Liverpool's answer to the late

'Transformer' and Danny who is a newcomer and Madonna and M Munroe lookalikey. The opening night which was Friday the 4th July was a big success with a queue running up Stanley street and a huge searchlight beaming into the night sky. The launch party show featured a female opera singer, Daniella doing Cher, Danny doing Madonna and me doing Liza Minelli

Saturday night is now set as the main tranny night. Help is at hand for girls and boys who want to be girls wanting to have make-overs as Julie Fawcet, who is renowned on the drag scene and for being a cover model for Transformation and Transliving magazines, sets up her stall at the venue.

On Friday nights the well loved 'PopTastic' is now in residence at the Superstar Boudoir and the venue has been approached by London's Transmission and Roses Repartee magazine to host nights there

I have to admit I was a little sad to be leaving Liverpool after such a hectic and busy week but The WayOut Club was calling.

Why not book yourself an Apex direct and a cheap hotel in the city centre and take yourself up for a cultural experience in a city where everything is very laid back and friendly.

Sarah Lloyd
