gender illusionist Winoma

Winoma works at ASIA SF in San Francisco, with a team of amazing 'T-girls' that Asia SF prefers to describe as "gender illusionists".

Asia SF is a restaurant and nightclub where the girls entertain as well as serve food. This is a very popular place for both tourists and locals and crosses easily into the main stream of the city.

New York, San Diego and a number of US and European cities have similar establishments. But in London, as yet, this idea has not taken off...

Michael Bauer, Senior Food Editor of *The San Francisco Chronicle* writes of the 'girls' and AsiaSF

"Its amazing that the food is able to compete with the "girls", and the sensuous interior, featuring two luminous walls that slowly change from pink to blue to gold."

"But Chef Matthew pulls it off, crafting dishes that would inspire envy in more "serious" restaurants..."

"Unique entertainment... Sexy surroundings... and great food... a flashy, fun experience, that comes together with a comfortable style thats never tawdry or tacky. Its fun, but not freaky."

Tranny Guide - Back Issues - (Books)

Buy them to complete your collection, Students and researchers buy them for your research and study, Buy them before stocks sell out.

Edition 11 **All editions in stock - except issue 1**

Girl Talk - (Magazines)

EXTREMELY POPULAR From the West Coast USA this lifestyle magazine features possibly the most glossy photo shoots on the tranny scene in a VERY professional Hollywood stylee. The models are great, the advice from make-up artists and stylists is excellent. The reports on the USA scene are fun and enlightening. This is a great magazine to collect and it's all good clean fun.

NEW Edition 5no3

9 editions in stock volume 3no3 - 4no1 - 4no2 - 4no3 - 4no4 - 4no5 - 4no6 - 5no1 - 5no2 - 5no3

The Lazy Crossdresser (book)

VERY POPULAR The jokey chapter titles like, "My Size - a random number between 8 and 16", undermines the quality of the advice in this book with 177 pages of text and sketches. But don't let me undermine the friendly, open and down right honesty of the author Charles Anders. This is a good read and is genuinely helpful.

GINA The Woman Within

(book) This book relates Gina Large's traumatic and very reluctant transgender journey. Giving a powerful insight into the suffering of gender dysphoria. It's a truly remarkable story and a wake-up call to society.

The Third Sex (book)

The 'kathoei' phenomenon has been part of Thai culture for generations, it is the subject of a fascinating new book by Dr Richard Totman, a prize research fellow at Oxford University's Nuffield and a widely-travelled theatre director. He became probably the first "farang" (Thai for Westerner) to infiltrate the mysterious world of the ladyboys. He lived for months with kathoei girls and their families, learnt the language and spent much of his time talking to dozens of them and sharing their unique lifestyle.

"Personal Profiles"

'Personal Profiles' were introduced in edition 11. I had realised when I first read a number of these 'Profiles', while looking at the attached, beautiful, pictures, from OTG's, RTG's, Transsexuals and Drag queens, one after the other, the power of these profiles to explain the breadth of this phenomena - while at the same time giving valuable tips.

Your response to these 'Personal Profiles' was amazing. Never have I had such abundant feed back. I had no need to ask for more profiles.

These 'Personal Profiles' and pictures give such a fascinating range of answers to the questions I have always tried to answer in my book. These 'Profiles' offer a glimpse into many different ways of living with the "tranny gene". These 'Profiles' bring a really exciting interactive aspect to this annual book.

The twelfth edition is rich with NEW reports and pictures from around the world. The reports reveal yet again the growth and breadth of opportunities.

I sincerely hope you enjoy reading this edition as much as I have enjoyed putting it together.

Hi, my name is Samantha Foxx, I am a T-girl and live in southern California USA. I just recently finished reading the Tranny Guide it is without doubt one of the best publications I have ever had the pleasure of reading. Without it the world would be a lesser place. Once I started I could not put it down. The part of the guide I enjoy the most is all the fabulous people in the personal profiles, their comments to the various questions is very enriching and like a silk thread, weaves the transgendered community together into one very beautiful family of diversity. Thank you Vicky Lee for the Tranny Guide, It has already helped me so much, and maybe someday I could be one of the girls featured in the personal profiles - that would be a rush :) Sincerely, Samantha
