

SISTERS of PERPETUAL Gossip

Ghetto's Tuesday night 'Babe' popfest hosts the official launch party of Dusty O's 3rd single release, 'Kiss Me', on Tuesday 6th of April.

Miss Dusty O has been host and resident DJ, for the seven years that has established Ghetto's pop party as an institution for midweek clubbers.

It is only suitable then, that she wets the singles head by

throwing what looks set to be a fantastic party!

Not only are there 100 free copies of the new single to be given away on the night, (which features 7 mixes by London's premier POP DJ's and remixers, such as DJ Bodum, Small Sam, Porl Young & Tasty Tim), there will also be the usual Ghetto cheap drinks and a free Dusty badge for the first 150 through the door!

Dusty will be performing the new single and another new, previously unheard, track on this night, followed by a special "HITS" DJ set. As always, Dusty is assisted by Babe resident Small Sam, who is now making a name for himself in production and remixing as well as DJ'ing. The single is out on Monday 12th of April on the Delicious label. Expect further promotion nights throughout the next few months. Go dusty - Go Girl!

Dusty designer duds will also feature in the promotion of the new single. Check out specially designed Dusty O T-Shirts by Steve Philip from London's most talked about shop, 'Rellik', which was recently voted one of the top 10 shops in Europe by Vogue no less!

Steve Phillip, co-owner of the original vintage shop Rellik, is your man for classics, retro-wear and rarities and lets face it girls - retro will always set you apart from the High Street and Bond Street clones. Rellik began in Portobello Market when Steve, Fiona Stuart and Claire Stansfield were thinking of setting up shop and got together. They knew it would be unlike any other vintage shop, as they all had such different interests in clothes so there would be a variety.

They became friends with stylists such as Katie Grand and Katie England who would give loads of publicity in magazines, iD, The Face etc.

Rellik has an eclectic mix of clothes from the thirties to the forties, from punk to something for the opera. The shop champions British designers such as, Ossie Clark, Zandra Rhodes, Jean Muir, John Galiano and a lot of cult designers like Body Map and Leigh Bowery (who brought out a small collection in the Eighties).

Word on the street is - if your sick of going to a party and looking like everyone else in Gucci and Fendi. Check out Rellik, when your asked "Where did you get that great Ossie?" you can say, "Rellik... but it's a one off darling."

The first ever 'Miss House of Drag' was held in December 2003 with contestants from around the world including: Miss N Bush, Miss Debonaire, Miss Sarah Lloyd, Miss Stephanie Diva, Miss Vanilla Lush, Miss Lynn Daniels, Miss Handbag, Miss Davina and Miss Ronata. The winner was chosen by judges Miss Penny Richards and Miss Dee Channel (Muse), Miss Pandora De Pledge (Image Works) and Miss Vicky Lee (WWayOut).

The Judges were looking for a combination of style, presence, performance, costume and choice of material. The overall winner was Miss Lynn Daniels who on this occasion performed to "Miss Spectacular" and she certainly was - tap dancing her way through her number in full Showgirl outfit (Viva Las Vegas). Lynn won the prize of £500 and a photo shoot with Image Works. The contest proved to be one of House of Drags busiest nights. This years competition is on September 22nd so get your sewing machines out girls.

Many years post op transsexual, Lynn has many interests and loves, but much the strongest is an enduring love of performing and showgirl glamour. This has led her to many death defying skills. She has worked in a circus with a rope act. She has worked in the Circus of Horrors with a fire act. She has been part of a human "Candelabra" hanging from the Battersea Bungee Jump over the river Thames.

Lynn Daniels

Lynn has an amazing collection of Drag and Showgirl costumes and the figure to show them off to perfection. Rumour has it she recently had to move house just to find space for her growing collection

Recently Lynn achieved her dream of performing on a Las Vegas stage during a visit to the Nevada Oasis with Nikki and Debbie (Tranny Grange). You can see a report and pictures from this trip at www.trannygrange.com

Lynn has always enjoyed returning to the roots of her transition, to the 'family' where she feels most relaxed and in tune. She was a regular visitor and performer for (the late) Ron Storme at his 'Travestie Extraordinaire' in Bow. She visits many venues and events around the scene. She is a regular at House of Drag. She is a regular at the WayOut CLUB where she has played character parts as well as performing her Cher impersonation, Showgirl and Fire eating routines. Where else could she enjoy her wardrobe of OTT creations.

Lynn is an extraordinary and worthy winner. She sets a high standard to follow for the next 'Miss House of Drag'. She is the most lovely person to meet.

Thank you Lynn.

For the crowd that witnessed MUSE first anniversary it was a BLAST!! Officially the busiest night since its launch with many new faces and familiar regulars. Dee and Steffan welcomed everyone to the anniversary night, introducing, as a special treat on this anniversary, a special acoustic music set, (piano accompaniment only) with the beautiful and talented Emily Grace on Piano. Ongoing support came from the beautiful and equally talented Penny Richards and Zarina.

Steffan is joined by Mrs Silk on the 3rd Wednesday of the month

Miss Steffan Whitfield opened the set with her rendition of 'I'm so excited' followed by 'TranSisters' Dee Chanelle and Penny Richards debuting their acoustic set. They opened with 'Beautiful' followed by acoustic versions of 'Out of reach', and 'Whenever, Wherever' closing with the Michael Jackson hit 'Man in the mirror'

Emily, Penny & Dee

Overall the night was a great success and it is now evident that MUSE is getting stronger and ever more popular with the TG/TV/TS community and its' friends and admirers, as a relaxed, chill out bar.

Mrs Silk is indeed an enigma, a lifestyle Mistress with her very own stable of adoring transvestite and transsexual devotees. She says "In my life and in my world fact and fiction merge, I do indeed force feminise, have my own full time TV maid and lead the life of a privileged Mistress commanding true devotion from my chosen few".

"Nothing in life is impossible. I want to encourage you to explore your fantasies with me and to share the passion and excitement of working positively with your cross-dressing. Cross-dressing is an essential part of my life, come with me and share experiences on a journey that is stranger than fact or fiction".

"RISE is the best! I used to use Viagra but I consider RISE better because: I don't need to go to my doctor (no more appointments, waiting rooms, embarrassing and unnecessary discussions etc), it's far cheaper than Viagra, faster acting and lasts longer. I don't get the side-effects (headache, nausea etc), and I get a thumping erection within a few hours of taking one capsule - I consider it terrific."
