Winner Tina Mary with friends Rossita 2003 winner and Pacha runner up 2004 Vicky Lee and Steffan Pic by Rik

Forever Dedicated to the Memory of Ron Storme

Steffan's first experience of drag, was entering 'Night of a thousand Frocks' in 1986 at The Hippodrome Leicester Square. One of the judges at this event was Ron Storme (This event was run by the wonderful Dennis Gilding who also ran all the famous Porchester Balls assisted by Ron Storme).

The experience of winning this event so totally changed Steffan's life that he longed to re-create it for others to experience. In 1993 Steffan and Vicky Lee were running 'Bolts' at the Hippodrome Leicester Square and had a free hand to arrange what ever entertainment they could dream up. Judges and contestants were recruited for the first of 'Steffan Whitfield's Alternative Miss London'. Judges included George Melly (raconteur and jazz singer) and Andrew Logan (artist and originator of Alternative Miss World). 'Steffan Whitfield's Alternative Miss London' has been dedicated, since his death, to the memory of ground-breaker Ron Storme who helped create Steffan's first 'drag' break.

Q - IS THERE A DRESS CODE? Wear whatever you want amongst over 200 you will always be in good company and feel comfortable with what you choose to wear.

Q - CAN I DRESS MALE? Dress as a man or a woman we have a very mixed crowd - Many women partners and men friends enjoy the club and many say that they find the club more relaxed and fun to be at than "straight" clubs.

Q - DO I HAVE TO BE A MEMBER? No, WayOut is open to any one. However for an annual fee of £35 You receive entry discount after 11pm.

Q - IS IT EASY TO FIND? Our address is 9 Crosswall London EC3N (off Minorities - a name better known by cabbies) We are on the London A to Z but Crosswall is less obvious than Minorities on the map. All routes end up at the roundabout at Aldgate East tube station - from which you turn into Aldgate and immediately left into Minorities and then right into Crosswall at the traffic lights.

Q - IS IT EASY TO PARK? Very Easy - There is ample free parking available on single yellow lines and parking bays very close to the club. Parking on double yellows, with your wheels on the pavement or in a designated parking space may still result in a fine even very late. This is a very safe and discreet area on Saturday nights.

Q - CAN I GET A TAXI EASILY WHEN I LEAVE? Yes we have a licensed cab dispatcher waiting at our reception who will normally have a car for you immediately (prices are average for late night Saturdays but ask how much before getting in). We also recommend private companies Express Cars ...0207 403 3333 Freedom Cabs ...0207 734 1313

Q - WHEN IS THE BEST TIME TO ARRIVE? We open at 9pm and up till 11pm we have a great deal to offer early birds - FREE welcome cocktail or soft drink and reduced entry for all that cross-dress - All drinks are reduced to city bar prices until 10.30pm - The party builds up from 10.30pm to 1am and goes on till 4am with show time at 2.00am

Q - WHERE CAN I CHANGE? ...and get help with make-up? At The WayOut Club - We offer 800sq ft of FREE changing space with mirrors and lights from 9pm - 1am and 2.30 - 4am nearby toilets have washing facilities. We offer secure storage of bags this is FREE if changing. You may like to take advantage of help with make-up by one of 'the wayout girls' to boost your confidence £20.00 please book ahead by ringing Vicky Lee 07778 157 290 There are a number of good dressing services nearby that regularly help prepare and escort visitors to the club. Adam & Eve close by (near Brick Lane) offer support, wardrobe, make-up pre visit drinks and nibbles and escorting tel 0207 729 7447. Jodi at The Boudoir offers support, wardrobe, make-up and escorting tel 0208 365 7755. Pandora at Image Works offers support, wardrobe, escorting and also accommodation tel 0207 684 0340. Ann's Dressing Service offers make-up preparation at the Philbeach Hotel tel 0207 373 4848

Q - CAN I GET A BITE TO EAT? At the WayOut Club tasty food is served all night long. French-fries, Nachos, Potato wedges, Onion rings, Potato skins, Chicken dippers, Scampi start from Burgers (meat or veggy) Curries, Pizzas made freshly just for you from a wide range of toppings.

Q - I HAVE NEVER BEEN OUT OF THE HOUSE "DRESSED" SO WHAT SHOULD I WEAR ON MY FIRST VISIT TO THE WAYOUT CLUB? You can wear ANYTHING at The WayOut Club. With over 200 people every week there will always be someone dressed that looks better (and worse) than you do. I do recommend a visit in DRAB (Dressed as a Boy) before your debut in DRAG (Dressed as a Girlie). Though I do understand it may be easier in your girlie "disguise". There are always guys in 'man drag' and we like it that way. Some are trannies who don't dress in public. Some are guys who are with trannies (or want to be). Others, men and women, just love the atmosphere. But if you want to dress on your first time there is no place better or safer place to take your first steps. If I WAS going to recommend a style to make you feel comfortable on your first visit I would say - Good hair / wig and a black dress (long, short or knee length) with some nice accessories. You may like to take advantage of our "Beauty Bar" make-up service by one of 'the wayout girls'. When you see what others wear you will be inspired to follow your feelings on your next visit - be that flamboyant, tarty, glamorous, clubby or even MORE sophisticated. That's what it's all about.

Q - WHERE CAN I FIND suitable ACCOMMODATION? The following are ALL a short walk from the club and are regularly used by visitors and have the advantage of ample free street parking after 1.30pm Sat through Sun. Ask for special weekend rates at approx £75 per room if the hotel is not too busy. The Chamberlain Hotel (just around the corner from WayOut) . 0207 6801500 Novotel Hotel (Again just around the corner) 0207 265 6000 The Tower Thistle Hotel 0207 481 2575 (5mins from the club and overlooking Tower Bridge) HOWEVER these may not encourage "dressing" for breakfast! The Philbeach Hotel, Philbeach Gardens in Earls Court 0207 373 1244 (is the most tranny friendly hotel) Ann's Dressing Service offers make-up preparation at the hotel. The Beaver Hotel 0207 373 4553 also in Philbeach Gardens, Earls Court welcomes overflow from the Philbeach Hotel and offers parking Pandora De Pledge also offers accommodation plus escorted visits to the club as well as makeover, wigs and wardrobe. 0207 682 0340

Inexpensive hotels are abundant on the route to City Airport advertising £59 to £69 weekend rate. Try - Express by Holiday Inn The Highway (nr The Lime house link Tunnel) 0207 7540 0800 434040 www.hiexpress.co.uk advertising The Travel Lodge has become popular Corriander Ave, (off East India Dock Road) near Canary Wharf 0207 531 9705. Local taxi service from these hotels to WayOut is approx £14
