WayOut Publishing Proud to Offer Books - Videos - CDs - CD roms - Magazines

My Husband Betty
VERY POPULAR (book)
HIGHLY RECOMMENDED TO SHARE BETWEEN PARTNERS
 Journalist Helen Boyd discovered her husband cross-dressed. After much research, joy, soul searching, fun and after creating and running a partners support website - Helen wrote this no-holds barred partners eye view of the TG scene that EVERY tranny AND partner must read.

The Lazy Crossdresser
VERY POPULAR (book)
 The jokey chapter titles like, "My Size - a random number between 8 and 16", undermines the quality of the advice in this book with 177 pages of text and sketches. But don't let me undermine the friendly, open and down right honesty of the author Charles Anders. This is a good read and is genuinely helpful.

GINA The Woman Within (book) This book relates the story of real life transsexual, Gina Large's traumatic and very reluctant transgender journey. This book gives a powerful insight into the suffering of gender dysphoria. With a successful but unhappy life behind her at age 54 Gina suddenly realised what was wrong with her life. It's a very moving and a truly remarkable story and a wake-up call to society.

Crossing The Line (book)
OUR HISTORY CAPTURED
 Photographer Sarah Davidmann presents her record of images that appear to exist somewhere between the polarities of male and female. Hard back book that reflects the visions and characters present on the London scene at the beginning of the new Millenium, including many who frequented The WayOut Club.

The Transgender Underground (book)
 This book exposes the real lives, opinions and sexual orientation of over a dozen members of the 'third sex'. Multi media artist, German born Claudia Andrei studied and frequented Ron Storme's at Stepney during his last year interviewing many of the regulars. You may well have met the people featured or indeed be the people featured. A wonderful snap shot of this period in time.

The Third Sex (book)
HIGHLY SORT AFTER
 The 'kathoei' phenomenon has been part of Thai culture for generations, it is the fascinating subject of Dr Richard Totman's book. Richard a prize research fellow at Oxford University's Nuffield and a widely-travelled theatre director became probably the first "farang" (Thai for Westerner) to infiltrate the mysterious world of the ladyboys. He lived for months with kathoei girls and their families, learnt the language and spent much of his time talking to dozens of them and sharing their unique lifestyle.

and spent much of his time talking to dozens of them and sharing their unique lifestyle.

TV & CD Current Views (book)
NEW EDITION This book is a newly revised collection of articles by well qualified writers. It aims to answer, in a non judgmental, non directive way, many of the questions that you may have asked. Subjects include labels, sexuality, culture, history & law, counselling, support & coming out.

Alice in Genderland
RECOMMENDED (book)
 Dr Richard Novic is a Harvard educated psychiatrist and cross-dresser. No such memoir has been published. With candid and frank detail of the self exploration through the the "looking glass" of gender, sexuality and self expression that led Dr Richard to a lifestyle he had not known existed

Girl Talk - (Magazines)
EXTREMELY RARE From the Hollywood USA a Tgirl lifestyle magazine featuring the best photo shoots on the cross-dressing scene ever. This is a great magazine to collect, now out of print, and it's all good clean fun.

ask for a stock sheet or take pot luck with your order to grab the last few of this great magazine while still in stock

Trans LIPS (Magazine)
EXPLICIT SHE-MALES
 This magazine features photo reports on events and parties from the very colourful and rapidly growing Chicks with Dicks scene. Written in Belgium and English - but who is reading with so many full colour pictures to enjoy. These girls are all good friends of each other and love being featured in their good friend Pamela's mag.

Transgender Erotica
TRANS SEXUALITY CAN WE TALK FRANKLY
 This book is an erotic anthology of fiction and personal accounts exploring the creative limits of human sexuality through the transgender experience. Long misrepresented in literature, emotional and sexual transsexuality exposes what erotic experience can and should be - limitless. This book explores erotic stories of men and women discovering their true selves, finding desire and the boundless passion waiting for them through self-acceptance and self-revelation. These are beautifully crafted tales are always stimulating and always thought provoking. **Newly released**

HIGHLY RECOMMENDED TO WATCH WITH PARTNERS
 In the television studio, based on the advice in the Tranny Guide, Vicky Lee answers every question about Cross-Dressing How? Why? Where?
This video features a rare dressing room interview with Steffan Whitfield by Vicky Lee in which Steffan explains his tips and feelings about make-up and cross-dressing while he transforms his image from handsome male to beautiful female.
 Through this video you also visit a dressing service and a wig shop, go shopping in public, go clubbing and meet trannies and partners in their own home. Then back in the studio, presenter Laura asks Vicky Lee one more question ... "Tranny Sex - Can we talk?"

TRADING FACES By TJP (PAL OR NTSC VIDEO OR CDrom only)

HIGHLY RECOMMENDED
 This well presented professionally shot and edited video is aprox 48 mins long. This voice over on this video is by Pandora de Pledge (Image Works) who takes you slowly step by step through the process of male to female make-up. The video lesson includes tricks to cover up bushy eyebrows and beard shadow. Pandora is one of the leading experts in this type of make-up and in this video she shares all the tricks and tips which have given such a good 'foundation' to the image of many of the best looking T-Girls on today's tranny scene.
