Shops Services and Places to go

Sparkle

www.sparkle.org.uk

From the Friday to the Saturday Sparkle has workshops, lectures, an exhibition and a mini film festival all based around Transgender - see www.sparkle.org.uk for details. Transgender takes on many forms, from occasionally dressing (TV, CD or any other media you can think of!) to full gender reassignment (Transsexual). Our lectures are by the most important and informed people in the TG arena today, so if you want to know or are just curious, get along to Sparkle Point at the MMU.

Saturday daytime sees the return of the hugely popular Miss English Rose, the competition for feminine deportment... "because I'm a lady..." or anything you want to be, as long as you can complete the assault course whilst balancing a book on your head. Miss English Rose is a lot of fun and proof that we don't always have to take ourselves seriously.

Saturday evening, the celebrations hit a high. Canal Street is decorated with balloons, banners, costumes and lights. Live bands play, drag acts act up, fashions shows show and beauty contestants are beautiful. It's a tantalising treat of eclectic excess.

How much did I hear you say? Well it's FREE, yes FREE! All this entertainment comes to you free because money has been raised in the TG community and the bars on Canal Street to support the event.

Put the dates in your diary, especially the evening of Saturday 24th June 2006 and come on down to Canal Street, MANCHESTER, to celebrate Sparkle.

23rd, 24th and 25th June 2006

FAQs

Frequently Asked Questions

Q - IS THERE A DRESS CODE? Wear whatever you want amongst over 200 you will always be in good company and feel comfortable with what you choose to wear.

Q - CAN I DRESS MALE? Dress as a man or a woman we have a very mixed crowd - Many women partners and men friends enjoy the club and many say that they find the club more relaxed and fun to be at than "straight" clubs.

Q - DO I HAVE TO BE A MEMBER? No, WayOut is open to any one. However for an annual fee of £35 You receive entry discount after 11pm.

Q - IS IT EASY TO FIND? Our address is 9 Crosswall London EC3N (off Minorities - a name better known by cabbies) We are on the London A to Z but Crosswall is less obvious than Minorities on the map. All routes end up at the roundabout at Aldgate East tube station - from which you turn into Aldgate and immediately left into Minorities and then right into Crosswall at the traffic lights.

Q - IS IT EASY TO PARK? Very Easy - There is ample free parking available on single yellow lines and parking bays very close to the club. Parking on double yellows, or with your wheels on the pavement or in a designated parking space may still result in a fine even very late. This is a very safe and discreet area on Saturday nights.

Q - CAN I GET A TAXI EASILY WHEN I LEAVE? Yes we have a licensed cab dispatcher waiting at our reception who will normally have a car for you immediately (prices are average for late night Saturdays but ask how much before getting in). We also recommend private companies Express Cars ...0207 403 3333 Freedom Cabs ...0207 734 1313

Q - WHEN IS THE BEST TIME TO ARRIVE? We open at 9pm and up till 11pm we have a great deal to offer early birds - FREE welcome cocktail or soft drink and reduced entry for all that cross-dress - All drinks are reduced to city bar prices until 10.30pm - The party builds up from 10.30pm to 1am and goes on till 4am with show time at 1.00am for 30minutes

Q - WHERE CAN I CHANGE? ...and get help with make-up? At The WayOut Club - We offer 800sq ft of FREE changing space with mirrors and lights from 9pm - 12.30am and 2am - am nearby toilets have washing facilities. Q - DO YOU SERVE FOOD? At the WayOut Club tasty food is served all night long. Pizzas are a speciality made freshly just for you, with a wide range of toppings. Burgers (meat or veggy) Curries & Pastas or light snacks ... French-fries, Nachos, Potato wedges, Onion rings, Potato skins, Chicken dippers and Scampi.

Q - I HAVE NEVER BEEN OUT OF THE HOUSE "DRESSED" SO WHAT SHOULD I WEAR ON MY FIRST VISIT TO THE WAYOUT CLUB? You can wear ANYTHING at The WayOut Club. With over 200 people every week there will always be someone dressed that looks better (and worse) than you do. I do recommend a visit in DRAB (Dressed as a Boy) before your debut in DRAG (Dressed as a Girlie). Though I do understand it may be easier in your girlie "disguise". There are always guys in 'man drag' and we like it that way. Some are trannies who don't dress in public. Some are guys who are with trannies (or want to be). Others, men and women, just love the atmosphere. But if you want to dress on your first time there is no place better or safer place to take your first steps. If I WAS going to recommend a style to make you feel comfortable on your first visit I would say - Good hair / wig and a black dress (long, short or knee length) with some nice accessories. When you see what others wear you will be inspired to follow your feelings on your next visit - be that flamboyant, tarty, glamorous, clubby or even MORE sophisticated. That's what it's all about.

Q - WHERE CAN I FIND FRIENDLY ACCOMMODATION? The following are ALL a short walk from the club and are regularly used by visitors and have the advantage of ample free street parking after 1.30pm Sat through Sun. Ask for special weekend rates at approx £75 per room if the hotel is not too busy. **The Chamberlain Hotel** (just around the corner from WayOut) . 0207 6801500 **Novotel Hotel** (Again just around the corner) 0207 265 6000 **The Tower Thistle Hotel** 0207 481 2575 (5mins from the club and overlooking Tower Bridge) Inexpensive hotels are abundant on the route to City Airport advertising £59 to £69 weekend rate. Try - **Express by Holiday Inn** The Highway (nr The Lime house link Tunnel) 0207 7540 0800 434040 www.hiexpress.co.uk advertising **The Travel Lodge** Corriander Ave, (off East India Dock Road) near Canary Wharf 0207 531 9705. Local taxi service from these hotels to WayOut is approx £10 to £14

HOWEVER these hotels may not encourage "dressing" for breakfast! **The Philbeach Hotel, Philbeach Gardens** in Earls Court 0207 373 1244 (is the very most tranny friendly hotel where you will feel welcome dressed in the bar, lounge and restaurant where the waitresses are **thai lady boys**) **The Beaver Hotel** 0207 373 4553 also in Philbeach Gardens, Earls Court offers parking

AN INTRODUCTION

The WayOut Club Club for Boys, Girls and Inbetweens. was founded in 1993 by Vicky Lee (a self proclaimed inbetweeny) and Steffan Whitfield (a very open hearted, gay, female impersonator and entertainer) to provide a "way out" for those that didn't feel they quite fit in elsewhere, especially those that cross-dressed (for whatever reason) and those that were very "in touch with their feminine side" as well as those that like to mix with them.

Together we celebrate the joy in our diversity.

The Transgender scene has matured over the last 13 years and now offers many more opportunities. Yet still The WayOut Club offers something very special and VERY unique and that is our joy in diversity. This is impossible to dispute - as on ANY Saturday you can find every age, race, colour, culture, sexuality and most importantly every GENDER including London's (and the worlds) most stunning Trannies (TV/TS/TG), TGirls, She-Males, Drag Queens, along with male and female admirers, friends.

The WayOut Club brings together the most diverse collection of people in one place, every Saturday, anywhere in the world.

There is only one restriction on entry and that is that you enter with an open mind. Once in the club there are no judgments. At WayOut whether dressed by top designers or Oxfam everyone wants to be your friend. The club has a busy dance floor but many come not to dance but to chat. Some have hardly missed any of the 650 nights that the club has offered.

EVERY Saturday since April 1993

The WayOut Club remains an enigma. Not quite part of the London's gay scene, Not quite part of the straight scene, Not quite part of the fetish scene and strangely enough, (in some eyes) Not quite part of the Transgender scene. So what is it?

The most Eclectic Club in the World.

Our super venue, is in a discreet location, with easy parking and taxis waiting at the door. We have a lift and wheelchair access. There is a separate changing area. The venue is air conditioned. The single basement level has two areas, a full on dance and cabaret room, plus a quieter room with plenty of seating including sofas. In the main room WayOut's DJs mix music to suit the mood of the night, which can vary between pop classics and remixes, cheese, r&b and camp to the latest euphoric dance music. We encourage gorgeous 'girls' (and boys) to get up and strut their stuff on the WayOut dance podiums.

Every week at The WayOut Club we put on a show or special event taking an "intermission" from dancing at 1am for 30minutes. Each of these shows is a "one off" and the scale and the effort that goes into casting, soundtracks, costume, scenery, props and choreography is a miracle achieved only by the inspiration of Steffan Whitfield and our love for performing and the commitment to giving The WayOut Club audience something that is fun, special and unique to make each visit memorable.

Outstanding creative support

I would like to take this opportunity to thank some outstanding creative support from Miss Sarah Lloyd, Miss Paula Pure, DJ Titch, Miss Kit Kat, Mario, Ambre and DJ Gary to name just a few.

Only at The WayOut Club

Few London venues offer such outstanding entertainment. For my part the effort and the expense that we make each week brings a "focus" to a visit to The WayOut Club and make the night special and "memorable". This level of entertainment is only achievable due to the love and "need", to create and perform, that is a major part of all of our lives. You can expect to enjoy some outstanding shows throughout 2006 into 2007.

Launch pad for many new performers

The WayOut Club has been the launch pad for many new performers. Our new diary designates the first Saturday of every month as STAR SEARCH & GUEST. A night when (in addition to a surprise guest - check web site for announcements) YOU can "take to the stage". Whether you sing, mime, juggle, or have a great costume and a sexy wiggle, you can win up to £100 by encouraging a rapturous applause from The WayOut Club audience (so bring your friends). To enter Star Search (or any of our contests) just bring your backing music and register with Vicky Lee, or Sarah Lloyd before midnight on the night and be ready in our dressing room with your backing track by 12.30. The contest and show start at 1am. Many of our winners come back to perform extended sets and join the wealth of talent that is "WayOut" in our bigger shows.

The WayOut Club
A EUPHORIC HEADY MIX ...
A few visitors may be confused by the heady mix at The WayOut Club.

Remember every one has made a "first visit" and everyone wants to chat. You will always see someone better dressed (and worse dressed) than YOU. At WayOut it is not a competition. What is important is just "being there".

Some visitors may appear to say or do inappropriate things - but be assured, rude behaviour is NEVER acceptable at WayOut and is best reported, immediately, to the clubs hosts, security or management. Blatant sexual-acts, drugs, and exposed genitals are also not allowed. Those that ignore these few simple rules and common decency, will be expelled and may be banned from returning.
